**Subject:** Marc's CSCP Threshold Report

Melenie, good afternoon. We discussed internally and concluded that we will send you a report of Marc's stores that have reached 90% or above for a certain threshold. Please note this is confidential and for your use only. You should start seeing emails toward the last week or so of the month (depending on purchase habits). These emails will be sent from a general mailbox called SAP HELP. Below are the Marc's stores today that are 90% or above. Any questions, please let us know.
